

Colad Nylon Spray Coat

5 versions: sizes 48, 52, 56, 60, 64. Per piece. The Colad Nylon Spray Coats are designed to protect the painters body and head from getting in touch with light overspray during painting. The Nylon Spray Coats are 100% dust- and lintfree and therefore suitable for a clean paint process. The Coats are provided with a cap to protect the painters hair. Sleeves fit closely around wrists, this offers the user excellent protection. The front of these coats is fastened with a durable zipper that can be opened from both sides.

Benefits of Nylon Paint Coat:

- White to prevent distortion of colour vision
- Very durable
- Well ventilated
- Protects against fibers, dust and lint
