

Article number: 6870

Description: Film4Crash

EAN: 8714247032381

Colad Film4Crash

The smart film to protect a car from all weather influences after removal of doors or broken windows! A tough, flexible, self-adhesive plastic film to protect openings from weather influences. Simply seal a car after collision, dismounting or vandalism. UV resistant for a maximum of 6 months. This means that you will not face any discolour of the interior of the vehicle. After removal all adhesive comes off with the film and does not transfer to the surface. 75 cm x 60 m per roll.

The benefits of Colad Film for Crash:

- UV resistant
- Prevents any discoloring of the interior
- Easy to apply on clean and dry surface
- Wrinkles and bubbles don't affect the function of the product
- Easy to remove without adhesive residue
- Film can be used outside up to 6 months
- Apply at room temperature
