

# Technical Data Sheet

## General

Article number: 5117xx  
Description: Colad Carbon Spray Overall

## Specification:

For use during paint jobs to protect the wearer against paint spray and to protect the paint job against fibers, dust and lint. White with carbon thread to prevent distortion of colour vision, very resistant and well ventilated. The carbon is added to reduce static electricity. The Carbon Spray Overall is 100% dust- and lint free. The woven carbon thread provides maximal anti-static properties. The Overalls are provided with a cap to protect the painter's hair and ventilation openings for optimal comfort. Sleeves and legs fit closely around wrists and ankles thus offering the user excellent protection. The front of these overalls is fastened with a durable zipper that can be opened from both ends.

## Certificates:

Personal Protective Equipment (PPE) category I according to European directive 2016/425  
Basic PPE protects against minimal risks. Protects against non-hazardous chemicals like waterbased paints or harmless cleaning detergents. EN 1149-5: According to 1149-1, Method 1: Measurement of surface resistivity. Anti-static EN 1149.
