

Colad Premium Masking Film Extra Wide

Translucent masking film, extra wide, with paint adhesion, quick and efficient masking, protect against overspray, dust and dirt, for large vehicles. Use the Translucent Masking Film Extra Wide for quick and efficient covering of large vehicles and protect it against overspray, dirt and dust.

This Masking Film is ideal for quick and efficient covering of large vehicle like SUV's, trucks, vans and busses. This masking film comes with paint adhesion - primer and/or paint adheres permanently to the film. It has static properties, is easy to cut with a Colad Foil Knife and can be used with infrared drying (max. 120°C). By using the Colad Foil Dispenser covering can be done by one person. Colad Translucent Spraymask is environmentally friendly and can be recycled.

The benefits of Colad Translucent Masking Film Extra Wide:

- Extra wide masking film suitable for large vehicles. (5m and 6m width)
- Perfect masking solution for SUV's, trucks, vans and busses.
- Paint adhesion. With help of a special surface treatment paint adheres to the foil without possibilities of contaminating the surface
- Static properties, clings to the object surface and makes it easier to cut
- Can be used with infrared drying (max. 120°C).
