Description: Colad Car Detailing Brush Set

Specification:

For precise application and touch-up tiny quantities of paint and coatings for automotive projects. The set contains 36 brushes in 3 types. The types are no. 1, no. 2 and no. 3. There are 12 pieces per type.

For fast and efficient cleaning use Hamach Cleaning Fluid HR 1000. Did you know that our Colad brushes fit perfectly in the Colad 2300 ml Mixing Cups, closeable with a lid, for clean storage.

Features and benefits:

- With the 3 sizes you can cover a wide variety of automotive detailing work
- Each brush is made of natural (pony) hair for smooth and precise application of paint and coatings
- Hair is strong material and can be cleaned and used more than once
- The brush has a pointy tip to make it easier for various applications
