Frequently Asked Questions

> How to choose the right masking paper?

Choose the right masking paper based on the following attributes:

- Grammage; Depending on the grammage, the porosity and absorption capacities of the paper may vary.
- Absorption; Determines the amount of paint that can be absorbed by the paper before leaking through.
- Strength; The strength of the paper determines the risk of cracking while applying.
- Porosity; Determines the amount of paint that will leak through the paper.

> How to apply masking paper with masking tape?

The Colad masking paper dispensers apply the masking tape automatically with the paper!

All our masking paper dispensers are designed to mask quick and easy. The mobile units are fitted with strong wheels which can be moved through the masking area, including grid floors. Check out art 2020, 2030, 2010 or 000847
