Colad Sensor Covers

The quick and easy solution for masking integrated parking sensors!

Integrated parking sensors need to be handled with care. To sand or paint a bumper perfectly they must be covered for the full 100%. Or worse, need to be disassembled. Both of these solutions are time consuming. Solve this problem by using the Colad Sensor Covers.

Covers the complete process: Sanding Painting Polishing.

Sensor Covers are specially designed to mask parking sensors during the sanding and painting process in the most effective and efficient manner. The unique patented shape makes sure that paint can't get under, it also makes the cover easy to remove.

Colad Sensor Covers
