

Hamach Stainless Steel Work Benches with extraction hood

Stainless Steel work benches with extraction hoods. Available in two sizes (120 cm and 180 cm) and choice between with or without doors. High quality stainless steel work benches for paint mixing rooms. Manufactured in polished stainless steel to avoid paint contamination, prevent rust and allow easy cleaning. Vapor extraction over the complete working surface at a height of ± 20 cm. Available in two sizes: 120 cm and 180 cm. You can also choose between with or without doors. The Stainless Steel work benches are also deliverable without the extraction hood.

Benefits of the Stainless Steel Work Bench:

- Made from Stainless Steel
- Adjustable in height
- With extraction hood for vapor extraction
- Polished flat work surface
- Spilled fluids stay on the worktop

Do you prefer a Stainless Steel Work Bench without the extraction hood? That's also possible! Ask for art. no. 000463-01, 000460-1, 000465-1, and 000462-1. Check out the digital brochure for a complete overview of our mixing room equipment range.
