

Technical Data Sheet

General

Article number: 8035

Description: Control Powder

Specification:

Colad Control Powder helps to create a perfect finish by highlighting imperfections in putty or primed surfaces. It detects scratch marks from sanding so they can easily be discovered and removed, which makes you work more efficient. Especially developed as a sanding control guide coat for use on putty or primed surfaced.

Features and benefits:

- Easy to apply on the surface with the applicator, which comes with each product.
- Instant detection of imperfections.
- No drying time.
- Can be used for dry and wet sanding.

Application:

- On putty or primed surfaces

Technical Specification:

Color	Black
Content	100 gram per unit
Packaging Unit	12 units per carton
Shelf life	2 years in dry conditions
