## Diagonal Foam Masking Tape

*Innovative diagonally shaped Foam Tape for the smoothest edges.*

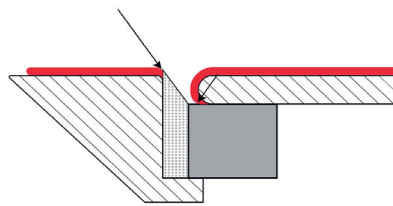

Seal apertures between panels preventing the need for rework on hard paint lines by using our innovative diagonally shaped Foam Tape. Easy to apply and remove without leaving any residue. Specifically designed to help you create the smoothest paint transitions possible preventing the need to rework on your panels. Save time and achieve the smoothest end-result possible. Suitable for use in the smallest apertures.

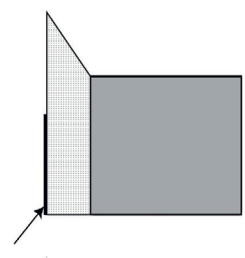

- Create flawless paint transitions in hard to reach places
- Eliminate hard paint lines without any effort
- Save time by preventing the need for rework
- Easy to apply and remove without leaving any residue

Perfect edge definition without interior blurring.

Diagonal design to allow paint to pass towards the edge.

Remove adhesive sheet with protective paper.

**Colad Diagonal Foam Masking Tape**
