Colad Breathable Spraymask

Translucent, blue masking film for quick and efficient masking.

Translucent blue masking film with paint adhesion, 'breathing' capabilities and moist absorption. Ready to use on a humid object, prevents 'ghost stains'.

Features & advantages

- Breathing capacity which allows moist underneath the foil to evaporate. This prevents 'ghost stains' and saves you polishing afterwards.
- Special 'ingredient' that allows moist-absorption, in addition to breathing capabilities!
- Static properties that help to ensure the film clings to the surface.
- Can be used with infrared drying (max 120°C).
- In a box with dispenser functionality.

Colad Breathable Spraymask
