

Article number: 5000

Description: Respirator A1P2

EAN: 8714247001578

Colad Respirator A1P2

One mask in an air-tight storage box with 2 carbon filters A1 and 20 pre-filters P2. Maximum usage 40 hours. Respirator A1P2 protects against the inhalation of isocyanate from paint or solvents. Fits perfectly around the nose and mouth. Complies with the strict UNE-EN 140 standard, CE-marked: 0159. Especially suitable to be used by car painters.

Benefits of Respirator A1P2:

- Especially suitable to be used by car painters
- Carbon Filters provide protection against the dangers of inhalation of hazardous materials like paint spray including isocyanates
- Made of flexible synthetic material, which provides a good fit to the face, no leaking and good comfort
- The fit may be adjusted with the special cradle headband with neck clip
- Neutral color: no negative influence on color judgment
- Large filtering surface of 2 carbon filters: optimal protection & easy breathing
- Large exhalation valve for optimal breathing comfort
- Transparent airtight box saves the life time of the Carbon Filters
