

Colad Premium Masking Film

This Masking Film is ideal for quick and efficient covering of a vehicle and protects it against overspray, dirt and dust. Colad Premium Masking Film with paint adhesion - primer and/or paint adheres permanently to the film. This film has static properties, is easy to cut with a Colad Foil Knife and can be used with infrared drying (max. 120°C). By using the Colad Foil Dispenser covering can be done by one person.

The benefits of the Premium Masking Film:

- Paint adhesion. With help of a special surface treatment paint adheres to the foil without possibilities of contaminating the surface
- Static properties, clings to the object surface and makes it easier to cut
- Can be used with infrared drying (max. 120°C)

Packaging information

Per roll in a box, the box can be used as a dispenser

Technical information

- Material: HD-PE
- Color: Translucent
- Roll width: 1 meter
- Thickness: 10 micron
- Temperature resistance: 120°C
- Solubility in water: Insoluble
- Properties: Static and paint adhesion

Article number: 6365xxx

Description: Premium Masking Film
