

# Technical Data Sheet

## General

Article number: 3850xx00

Art. no. 38500800 - Type A, Very Fine (VF) – Red

Art. no. 38501500 - Type S, Ultra Fine (UF) – Grey

Description: Colad Scuff Pads Discs 150 mm

## Specification:

The high quality Colad Scuff Pads are especially designed for machine application tasks. Prior to applications of finishing coat, primer or lacquer. Can be used on painted surfaces, but also on plastics, wood, aluminium and metal surfaces. The material is flexible and follows the shape of the surface to be prepared, while maintaining the abrasive effectiveness due to three-dimensional fibre structure. Gives an excellent smooth finish. Ideal for matting of surfaces and creates an excellent base for the next lacquer layer. The discs can be used in combination with Back-up Pads for Velcro Discs.

## Features and Benefits

- Long lifetime
- Can be used wet and dry.
- Easy to shape and fold, while maintaining the effectiveness due to three-dimensional fiber structure.
- High abrasion capacity.
- Can be used on painted surfaces, but also on unpainted wood, plastics and metal surfaces.

## Application

- Use on flat, irregular, or contoured surfaces.
- Ideal for matting of surfaces and creates an excellent base for the next lacquer layer.
- **Art. no. 38500800** Type A, Very Fine (VF) – Red, is particularly appropriate for the roughening of unpainted or primed plastics, plywood steel and aluminum parts. Scuff Discs may also be used to prepare new sheet metal parts for refinishing.
- **Art. no. 38501500** Type S, Ultra Fine (UF) – Grey, is particularly effective for the roughening between coats, when using 2 component paints and primers. This Scuff Disc may be used to repair blend areas

## Substrate Range

- Paints
- Coatings
- Steel and stainless steel
- Plastics
- Copper alloys / brass / bronze
- Primers
- Plywood
- Aluminum
- Etc.

## Industry

- Car body repairs
- Vehicle production
- Ship and yacht building
- Metal processing
- Decoration and construction
- Wood processing

**Technical Specification:**

Art. no. <b>38500800</b>	Type A, Very Fine (VF) – Red
Art. no. <b>38501500</b>	Type S, Ultra Fine (UF) – Grey
Packaging Unit	10 packages of 10 pieces
Packaging	10 pieces
Size	150 mm
Backing	Non-woven
Grain	Aluminum Oxide (VF) and Silicon carbide (UF)
Bonding	Resin
Coating	Three-dimensional

**Related products**

Art. no. 38000800 + 38001500 Scuff Pads

Art. no. 38200800 + 38201500 Scuff Rolls
