

Technical Data Sheet

General

Article number: 3895xxx0
Description: Colad Soft Flex Rolls (115 mm x 25 m)

Specification:

Sanding paper on foam backing. Specially for sanding intricate parts. Can be used wet or dry. Available with coarser grits for sanding putty and finer grits for primed or lacquered surfaces. Roll of 25 m long with perforated pieces. Size of the perforated pieces 125 x 115 mm. Available from P150 – P800.

Features and benefits:

- Flexible and soft for hand sanding of difficult to reach and profiled places.
- The foam base provides easy gripping and applies pressure evenly. This reduces the risk of sanding through.
- Special stearate coating which prevents clogging.

Application:

Suitable for both dry and wet sanding.

Technical Specification:
