

## Colad Green Fine Line Tape

Green Fine Line Tape is designed for very precise masking needs, such as pinstripes, multicolor, and custom painting. It comes in sizes ranging from 3 mm to 19 mm in width, with a length of 55 m per roll. The tape has a strong adhesive and adheres to a wide variety of surfaces. It is ideal for applications where excellent color separation is required, especially when spraying with multiple colors. The tape is suitable for use with waterborne coatings and can be easily removed without leaving any residue.

**Article number:** 9030xx

**Description:** Green Fine Line Tape

Benefits of Green Fine Line Tape:

- Adheres to a wide variety of surfaces.
- Designed for high conformability without excessive stress.
- Strong adhesive without residue.
- Temperature resistance up to 130°C for 30 minutes.
- Creates sharp and clean edges.
- Ideal for very precise masking, multicolor, pinstriping, or custom painting.
- Suitable for water-based paints.

## Packaging information

Per roll in a plastic bag

## Technical information

- Backing properties: Thermally stabilized PVC backing
- Adhesive: Rubber based pressure sensitive adhesive
- Overall thickness: 0,137 mm (0,0054 inch)
- Core: 76 mm (3 inch) plastic core
- Color: Green (visual)
- Tensile strength (nominal): 245 N/100 mm
- Elongation at break: 150% ASTM-D-1000
- Temperature resistance: Takes a double bake at 130°C / 270°F
- Hazardous components: Non, cadmium free
- Shelf life: One year from date of receipt by customer when stored at 22°C (72°F) and 50% relative humidity

Art no.	Variant	EAN
