# fullex<sup>®</sup> Handles

**Handles designed to be used with the Fullex Gemini, SL16 and Type A Case Locks**

The Fullex front door handle is aimed at the fabricator who wants to offer a high quality designed front door handle.

One of the main features that distinguishes this front door handle from any other is the fact that the lever distance is 68mm to fit perfectly Gemini, SL16 and Type A Fullex locks. The door handle is manufactured from 316 grade stainless steel.

---
