

DESCRIPTION

To fully protect the screen of your iPad 10.2" (8th/7th gen), choose the MOBILIS®-designed matt protective screen that combines quality and technology. In fact, it is IK06 standard and has the best shockproof protection on the market. This versatile and shatterproof screen protector protects your smartphones screen against breakages, scratches, dust, impacts and smears. The protective screens matt finish reduces screen glare and the appearance of fingerprints for the best possible usability. It is also very easy to install, thanks to its anti-bubble technology and its installation kit, that includes a cleaning kit, a microfibre cloth and a smoothing card. This touch sensitive screen protector is compatible with the MOBILIS® capacitive stylus. You can therefore use your iPad with complete peace of mind.

TECHNICAL CHARACTERISTICS

Brand : MOBILIS
Part number : 037120
Brand compatibility : Apple
Compatibility : iPad 10.2" (8th/7th gen)
Easy to apply : Y
Easy to remove : Y
Hardness : 6H
Harmonized System (HS) code : 84733080
Protection features : Scratch resistant, Shock resistant
Quantity per pack : 1 pc(s)
Rounded edges : Y
Screen protector type : Matte screen protector
Thickness : 0.33 mm
