

LocknCharge Carrier 20 (EU) Charging Trolley with Baskets for 20 devices

DESCRIPTION

Charge, store, and transport up to 20 devices. Carrier mobile classroom trolleys are designed to ease the deployment of Chromebooks, tablets, iPads, laptops, and more.

Benefits:

- Compact design, low footprint
- Universal charging cart. Compatible with Chromebooks, tablets, iPads, laptops, and more
- Includes transport baskets
- Unique horizontal sliding lid with soft-close feature
- High-security two-point locking system
- Simultaneous charging of up to 20 devices
- Floor locking with high-strength anchoring kit
- Robust warranty

Smarter equipment:

- Top-loading cart. Simultaneous access from multiple sides allows for quick distribution of tablets. Cabling is also easier and 2 to 3 times faster than with traditional cart designs. Work more efficiently without tedious movements.
- Baskets by LocknCharge. Enjoy a revolutionary basket system. The Baskets by LocknCharge have slots for faster, safer, and more efficient deployment of your tablets and Chromebooks LNC10150
- Floor locking kit => LNC10010
