Universal 2in1 Suction - Dashboard with Automatic Smartphon

DESCRIPTION

This universal mount with suction cup attachment allows you to place your phone with one hand thanks to the automatic closing button. The suction cup being firm and very solid allows a clear vision and positioning in all angles thanks to its 360 ° rotation system. The holder can be installed on the windshield or on the dashboard of your vehicle for an ultra secured transport of your mobile, even on the most damaged roads!
