

## DESCRIPTION

Immerse yourself in your world. Whether you're tuned into music or taking calls, you've got no cords to hold you back. Just wear the JBL TUNE 125TWS earbuds to start feeling the sound, as they immediately connect to your device the instant you take them out of the case. Dual Connect lets you use either earbud, or both, anytime you want. Your favorite artists sound incredible thanks to JBL Pure Bass. With up to 32 hours of battery life and a comfortable fit, you can keep the music going all day and night. Choose from the incredible color palette to find the true wireless headphones to match your personal style.

JBL has powered festivals and concerts around the world for decades. Now let JBL bring your own world to life with incredible Pure Bass sound.

Tangled in your bag, caught in your jacket or stuck in your hair, wires can get in your way. Experience total freedom with no cords with the True Wireless JBL TUNE 125TWS earbuds..

With up to 32 hours of battery life, you can listen all day and all night. Keep your own private concert going for as long as you can keep up.

Left ear, right ear, both ears? The power of Dual Connect gives you the choice to seamlessly enjoy music or make calls with either one or both buds. And the battery life keeps up with you, as you can keep one earbud charging, while using the other one.
