

DESCRIPTION

SmartSensor: Temperature and Humidity

Single combo temperature and humidity sensor, field replaceable sensor modules, RJ-45 connector.

TECHNICAL CHARACTERISTICS

Brand : RARITAN
Part number : DX2-T1
Accuracy : 4 °C
Connectivity technology : Wired
Harmonized System (HS) code : 90318080
Purpose : Indoor
Sensor type : Temperature sensor
Standard interfaces : RJ-45
Temperature measuring range : -20 - 70 °C
