

DACOMEX Desk mount D27-100CG-3 for 3 screens

13-27

DESCRIPTION

931 / 5?000

This mount allows you to free up your desk space, while providing an ergonomic working position. It is designed for use with monitors from 13 to 27 inches. The weight capacity is 8 kg/17.6 lb for each arm. Full motion structure allows for maximum flexibility: extends, tilts and swivels your monitor for easy viewing. Its ball joint structure allows for smooth and effortless rotation and positioning in any direction, making it easy to reduce glare and find the perfect viewing angle. You can also adjust the monitor vertically to the desired position. In addition, a cable clip is included to organize cables.
