

## DESCRIPTION

**Contour Multimedia Controller Xpress is ideal for tight workspace or travel.**

Contour Multimedia Controller Xpress is the compact multi-media controller, based on the award-winning Contour Multimedia Controller PRO v2 that gives you programmability and ergonomic control over most of today's popular multi-media applications. Five oversized buttons can be pre-programmed for your audio and video editing tasks. Full jog ability lies with the jog wheel at the center of the device, putting complete capabilities in the palm of your hand. Working with any application that incorporates keyboard shortcuts, Contour Multimedia Controller Xpress is the controller where less is more!
