

# BOSCH LB2-UC15-L1

## DESCRIPTION

## TECHNICAL CHARACTERISTICS

|                                                        |
|--------------------------------------------------------|
| Brand : BOSCH                                          |
| Part number : LB2-UC15-L1                              |
| Représentation / réalisation :                         |
| Plug and Play : Y                                      |
| Connectivity technology : Wireless                     |
| Impedance : 8                                          |
| Input voltage : 100 V                                  |
| Product colour : White                                 |
| RMS rated power : 15 W                                 |
| Speaker placement : In-wall/in-ceiling, Wall-mountable |
| Speaker type : 1-way                                   |
