

## DESCRIPTION

The horizontal coverage pattern of ShowMatch full-range loudspeakers can be changed by replacing the factory-installed waveguides with the optional accessory waveguides. SM5WG55 waveguide provides 55° horizontal coverage for the SM5 loudspeaker.

## TECHNICAL CHARACTERISTICS

Brand : BOSE
Part number : 766712-2410
Brand compatibility : Bose
Material : Plastic
Product colour : Black
Purpose : Center speaker
Quantity per pack : 2 pc(s)
