

DESCRIPTION

This case is made of 50% recycled materials while guaranteeing the quality of protection and durability of your device. To effectively protect your Galaxy Tab A9+ 10.9" (SM-X210 / SM-X216) against everyday scratches and drops, this case offers a permanent protection thanks to its flap.

It also allows you to use your device in two positions : keyboard mode and photo & video mode. Its flap provides an additional comfort with its system of standby and automatic activation of your tablet.

1% of the sales generated by the RE.LIFE range is donated to associations for the protection of the environment.
