

# BOSCH MIC-WMB-WD

## DESCRIPTION

The MIC Wall Mount Bracket (MIC-WMB) allows mounting on building walls. It also coordinates with a MIC Pole Mount Bracket (MIC-PMB) and a MIC Shallow Conduit Adapter (MIC-SCA) to allow mounting a MIC camera on a lamp post, scaffolding, or other non-standard mounting post. The MIC-WMB has a deep bowl to accommodate the signal cable connections. An O-ring seals the camera-to-mount interface to an ingress rating of IP68.

## TECHNICAL CHARACTERISTICS

|                                 |
|---------------------------------|
| Brand : BOSCH                   |
| Part number : MIC-WMB-WD        |
| Caractéristiques :              |
| Type : Mount                    |
| Connectivity technology : Wired |
| Depth : 120 mm                  |
| Height : 124 mm                 |
| Housing material : Aluminium    |
| Placement supported : Outdoor   |
| Product colour : White          |
| Weight : 1.95 kg                |
| Width : 340 mm                  |
