

DESCRIPTION

This 10th gen iPad 10.9» multifunction case with Bluetooth® keyboard ensures the safety of your iPad and provides a workstation as comfortable as a laptop.

The 10th gen iPad case is made from high quality materials, offering resistant and durable protection for your iPad. The exterior material of the case is made of resistant faux leather, while the interior is lined with a soft fabric to protect the screen of your 10.9-inch iPad.

The Bluetooth® keyboard is integrated into the iPad case, providing a comfortable and convenient typing experience for iPad users. The keyboard is in French and is designed to be easily connected to your iPad via Bluetooth®. It also features shortcut keys for commonly used functions, such as volume control and lock screen.

The iPad case with keyboard features an adjustable viewing stand, which allows you to adjust the screen angle for optimal comfort while using the iPad.
