

## DESCRIPTION

### Backpack Cover - Universal High Visibility

The Universal High Visibility Backpack Cover is the ultimate companion for urban adventurers and safety-conscious travellers. Designed to offer maximum visibility in low-light conditions, this bag combines essential features to ensure your safety on the road.

### High Visibility and Fluorescent Color

Equipped with reflective strips and a fluorescent color, this cover ensures that you remain visible in all light conditions. Whether you're walking, cycling or riding a motorcycle, you can rest assured that other road users will spot you easily. This cover enhances your visibility and safety.

### Universal Compatibility

This cover fits bags up to 30 liters, offering a universal solution for a wide range of backpacks. Whether you have a small daypack or a roomy backpack for outdoor adventures, this cover fits perfectly.

### Waterproof and Resistant Material

This cover features a waterproof treatment, providing optimum protection against rain, snow and water splashes. Your belongings stay dry and protected, no matter what the weather throws at you.

### Compact Size with Integrated Storage Pocket

Thanks to its compact size and integrated storage pocket, this cover folds away easily when not in use. You can store it in your backpack when you don't need it. Support strap An adjustable retaining strap ensures that the cover stays securely in place on your backpack, even when moving fast or in windy conditions.

This universal, high-visibility backpack cover combines functionality, safety and practicality to give you peace of mind, whatever the weather or mode of travel.
