

## DESCRIPTION

The JBL TUNE500BT headphones let you stream powerful sound with no strings attached for up to 16 hours of pure pleasure. Easy to use and equipped with 32mm JBL drivers and JBL Pure Bass sound, these headphones provide easy access to great sound every time. And if a call comes in while you are watching a video on another device, the JBL TUNE500BT seamlessly switches to your mobile. Bluetooth enabled and designed to be comfortable, the JBL TUNE500BT headphones also allow you to connect to Siri or Google Now without using your mobile device. Available in 4 fresh colors and foldable for easy portability, the JBL TUNE500BT headphones are a grab n go solution that help you to inject music into every aspect of your busy life.

Wirelessly stream high-quality sound from your smartphone without messy cords.

It features the renowned JBL Pure Bass sound, which can be found in the most famous venues all around the world.

Easily control your sound and manage your calls from your headphones with the convenient 1-button remote with mic.

For long-lasting fun, listen wirelessly for 16 hours and recharge the battery in as little as 2 hours. A quick 5-minute recharge gives you an additional hour of music.

The lightweight materials and soft ear cushions with a padded headband make the headphones comfortable to wear for extended periods. The foldable design makes it convenient for you to carry your headphones anywhere and anytime you want music.
