

DESCRIPTION

Hardened RESIST protective cases are specifically designed to withstand heavy-duty use in the field. They can withstand 1000 drops from a height of 1.20m, that is 30 times higher than the requirements of military standard MIL-STD 810G.

RESIST PACK cases feature a grip strap, neck strap and stylus holder. They are user-friendly and easy to carry around which ensures that the tablets can be used in all conditions: on the move, in a meeting, and even while standing up in a hostile environment.
