

DESCRIPTION

Each ShowMatch DeltaQ full-range array module (SM5, SM10, and SM20) and subwoofer module (SMS118) includes standard installation pins. Use the short quick pins (SMQPS) in place of the standard pins to reduce the width of the array assembly.

TECHNICAL CHARACTERISTICS

Brand : BOSE
Part number : 770304-0010
Compatibility : SM5, SM10, SM20, SMS118)
Manual : Y
Material : Metal
Product colour : Black
