

## DESCRIPTION

The dedicated PROTECH protective case has been cleverly designed by MOBILIS® for your iPad 2020 10.2". They have been designed in France to protect your devices efficiently against shocks, vibrations and breakage! A very high level of resistance to falls: 15 times higher than the requirements of the military standard MIL-STD 810G. More than 400 falls from 1.2m height on a concrete floor! Flexible, light, ergonomic and very efficient, PROTECH cases are perfectly adjusted to the devices that they protect. Ergonomy and portability are optimized thanks to their accessories included (360 ° rotating handle, tripod, stylus holder). Users will gain efficiency and freedom of movement in the field, at the office or in a classroom.
