

## DESCRIPTION

In the living room, the kitchen, the bedroom or the bathroom, HOME KIT can be installed anywhere in the home to keep your smartphone or tablet within safe reach. No more tablets covered in flour on the kitchen worktop nor smartphones sprayed with water in the bathroom!

Attach your device to a HOME KIT in no time and easily access your daily applications (music, cooking, alarm clock, weather forecast).

With its dual magnetic and mechanical action, the innovative SecureLock system guarantees your smartphone or tablet is perfectly secured on its stand whether horizontally or vertically.

HOME KIT can be secured to any surface with its highly resistant 3M® VHB professional adhesive. Rest assured, the adhesive will leave no marks on your wall when removed.

The kit includes:

1 HOME KIT stand including a SecureLock mounting system,

1 universal SecureLock adhesive system to be attached to the back of your smartphone or to its protective case with its professional 3M® VHB adhesive also compatible with the QuickLock system.

Weight: 40 g.

Material: Silicon, ABS, PC.

2-year warranty.
