

Screen Protector Tempered Glass Clear - 9H- for Galaxy Xcov

DESCRIPTION

To help you protect the screen of your Galaxy Xcover Pro against everyday impacts and scratches, MOBILIS® has designed this tempered glass screen protector. To protect your Galaxy Xcover Pro, this protective screen has a 9H anti-scratch hardness, which is considered the best grade for protecting screens. Also, thanks to its Clear finish, it retains 99% of your screens sharpness for maximum user-friendliness. Quick and easy to install, this protective screen leaves no marks behind when removed. To help with installation, this protective screen is also supplied with a complete cleaning kit. For maximum user-friendliness, this protective screen is compatible with the MOBILIS® capacitive stylus.
