

## DESCRIPTION

### Active Cable Connects Thunderbolt 3 Devices, Including MacBooks and Chromebooks

This Thunderbolt 3 cable allows you to connect one Thunderbolt 3-enabled device to another, including MacBooks, Ultrabooks, Chromebooks, external hard drives and docking stations. It transmits full 4K x 2K (3840 x 2160 at 60 Hz) DisplayPort video when used with Thunderbolt 3-enabled monitors. The cable's one-meter length makes it easy to carry in your briefcase or laptop bag for quick video connections and file transfers on the go.

### Charges Devices and Transfers Data 4 Times Faster Than USB 3.1 Gen 2

The MTB3-01M-5A-AB supports bidirectional Thunderbolt 3 data transfer speeds up to a sizzling 40 Gbps, which is four times as fast as USB 3.1 Gen 2, making it an ideal cable for downloading 4K video files and transmitting them to a 4K monitor or television with a Thunderbolt 3-enabled input. Transceivers in each connector regulate the transfer of data throughout the entire length of the active cable. The PD Charging 2.0 cable also provides power output up to 5 amps (100 watts), which is sufficient for fast-charging, syncing and powering most large-capacity devices.

### Reversible Thunderbolt 3 Connectors Attach in Either Direction

Unlike traditional USB cables that connect in only one direction, the reversible Thunderbolt 3 male connectors plug into a Thunderbolt 3 or USB-C port in either direction for a fumble-free connection every time. Note: both ends must be connected to a Thunderbolt 3 port to achieve 40 Gbps transfer speeds.

## TECHNICAL CHARACTERISTICS

Brand : TRIPP LITE

Part number : MTB3-01M-5A-AB

### Caractéristiques :

Certification : REACH, CE, FCC, UL

Cable length : 1 m

Cable material : Copper

Connector 1 : Male

Connector 2 : Male

Connector contacts plating : Nickel

Country of origin : China

Data transfer rate (max) : 40 Gbit/s

Harmonized System (HS) code : 84733080

Master (outer) case gross weight : 290 g

Master (outer) case GTIN (EAN/UPC) : 10037332242003

Master (outer) case height : 249.9 mm

Master (outer) case length : 25.4 mm

Master (outer) case width : 169.9 mm

Maximum resolution : 3840 x 2160 pixels

Package depth : 12.7 mm

Package height : 180.1 mm

Package weight : 60 g

Package width : 110 mm

Product colour : Black

Products per master (outer) case : 5 pc(s)

Quantity per pack : 1 pc(s)

Sustainability certificates : RoHS

Thunderbolt version : 3

Weight : 50 g
