

DESCRIPTION

Deliver HD Voice with Yealink Acoustic Shield

With Yealink Acoustic Shield technology, the headsets could well filter out background noise by 2x microphones while you are on a call, which provides a HD voice quality for your listeners, and ensures distraction-free conversation.

Match Your Platform

Thanks to the broad compatibility of Yealink personal collaboration devices such as headsets, speakerphones and USB cameras, users can enjoy consistent call experience across UC platforms, which promises better communication quality, higher productivity and lower IT costs. Certified for Microsoft Teams, the devices designed with a dedicated Teams button for activating Microsoft Teams with one touch.
