

DESCRIPTION

Business backpack for 16 MacBook Pro and Laptops up to 15.6 made of material produced from recycled plastic and leather-look PU. Equipped with our AGS System, an elastic shoulder-strap suspension system designed to reduce the load on your shoulders and back, the Bravo Gravity backpack features excellent pocket organization, with two internal pockets especially designed for laptops and tablets and an accessory pocket located on the front panel. The back has a security pocket, a trolley strap and, on the lower part, a fold-away rain cover that can be pulled out to protect the pack in wet weather.
