

Powerbank PD20000 - 20 000 mAh

DESCRIPTION

Equipped with Power Delivery and Quick Charge 3.0, the Powerbank PD20000 combines the highest speed charging features which are currently available in one product. Compatible devices can be charged up to 4x faster than with standard powerbanks. In addition, the digital percentage display provides precise information about the charging status of the powerbank whenever you want to know it. Experience optimal charging processes with the latest technology!

USB-C In / Out, USB-A Out and microUSB In offer first-class compatibility with all current smartphones, tablets and laptops. The included USB-C to USB-C cable can be directly used for quick charging via Power Delivery or Quick Charge.

TECHNICAL CHARACTERISTICS

Brand : INTENSO

Part number : 7332354

Battery capacity : 20000 mAh

Battery technology : Lithium Polymer (LiPo)

Built-in display : Y

Cables included : USB Type-C

Charger compatibility : Digital camera, Gaming controller, MP3/MP4, Mobile phone/Smartphone, Tablet

Charging source : USB

Depth : 72 mm

Display type : LCD

Fast charging : Y

Fast charging technology : Quick Charge 3.0

Harmonized System (HS) code : 85078000

Height : 29 mm

Input interface : Micro-USB + USB Type-C

Input voltage : 5 V

Manual : Y

Micro-USB connector : Y

Micro-USB connectors quantity : 1

Number of simultaneously connected devices (max) : 2

On/off switch : Y

Output voltage : 5/6/9/12 V

Package type : Hanging box

Port 1 output current : 3 A

Power protection features : Battery discharge, Over voltage, Overcharge, Short circuit

Product colour : Anthracite

Quantity per pack : 1 pc(s)

Sustainability certificates : CE

USB A output ports : 1

USB Power Delivery : Y

USB Type-C connector : Y

USB Type-C ports quantity : 1

Weight : 385 g

Width : 137 mm
