

DESCRIPTION

To fully protect your iPad 2019 10.2 (7th gen) against everyday bumps and scratches, we have designed the shockproof iPad case. It gives your tablet permanent protection thanks to its flap. Also, for maximum comfort, this protective case gives you the option to use your tablet in two different ways: keyboard mode and viewing mode for photos and videos. Its flap also provides additional usability with its automatic tablet sleep/wake function. Available in 3 colours and a faux leather finish, the protective case gives you permanent protection in style, all to your taste.
