

DESCRIPTION

Ready, headset, go  
The EncorePro 500 Series smarter headsets let your employees take calls from home or office, regardless of how they connect to a PC. Theyre the first call center digital headsets to connect you to everything Teams has to offer, even while youre on a call. Hybrid working has never been easier.

|------------------------------------------------------|
| Brand : HP                                           |
| Part number : 783P9AA#ABB                            |
| Représentation / réalisation :                       |
| Adaptive Audio : Yes                                 |
| 3:5 mm connector : Yes                               |
| Cable length : 0.785 m                               |
| Cables included : USB Type-A, USB Type-C             |
| Connectivity technology : Wired                      |
| Depth : 149 mm                                       |
| Driver unit : 5.6 mm                                 |
| Ear coupling : Supraaural                            |
| Ear pad material : Leatherette                       |
| Headset type : Binaural                              |
| Hearing protection technologies : SoundGuard DIGITAL |
| Height : 67 mm                                       |
| HP segment : Business                                |
| Mac operating systems supported : MacOS              |
| Microphone direction type : Omnidirectional          |
| Microphone frequency : 20 - 16000 Hz                 |
| Microphone sensitivity : -40 dB                      |
| Microphone type : Boom                               |
| Noise reduction : Yes                                |
| Package depth : 54.6 mm                              |
| Package height : 178 mm                              |

|                                           |
|-------------------------------------------|
| Package weight : 180 g                    |
| Package width : 137.8 mm                  |
| Packaging content : Headset               |
| Product colour : Black                    |
| Product type : Headset                    |
| Recommended usage : Calls/Music           |
| Signal-to-Noise Ratio (SNR) : 50 dB       |
| Wearing style : Head-band                 |
| Weight : 74 g                             |
| Width : 111 mm                            |
| Windows operating systems supported : Yes |
