

## DESCRIPTION

The EPC 6545 Ceiling Mount lets you mount your projector to the ceiling. You can easily position your projector and secure it to maintain a stable image while viewing. It comes with the universal Projector Connector that fits virtually every projector weighing up to 10 kg.

Key benefits:

Adjust & secure

Cable Inlay System

Ceiling cover included

Click & Switch

Easy connect

Easy install

Tilt, turn & roll

Universal

Now you can easily project an image on any screen or wall. The unique spherical hinge joint has a huge range of movement so you can position your projector wherever you desire. With the Adjust & Secure feature you can lock the projector into position. You can easily conceal your cables with the patented CIS® Cable Inlay System. When not in use, simply remove your projector and hide the cables and support from sight using the ceiling cover provided.
