

Key storage lock with rubbed silicone dust cover

DESCRIPTION

The key storage lock is ideal to store safely small valuable items such as keys, access cards, and more.

The programmable door limitates the access to a specific group of authorized people (family only, co-workers only, etc...)

The storage space is 95 x 60 x 20 mm. The key storage lock can be permanently fixed to the wall or temporary attached to a pole or any structural element (up to 40 mm diameter)

Specifications :

- Door that conceals the keypad
- Anti-tampering silicone housing
- Outside dimensions : 180 x 87 x 60 mm
- Weight: 770 gr
- Key: 2 to 10 buttons + RESET button

TECHNICAL CHARACTERISTICS

Brand : DACOMEX

Part number : DAC-915114

Material : Metal

Number of products included : 1 pc(s)

Product colour : Black
