|                                                            |
|------------------------------------------------------------|
| Brand : HP                                                 |
| Part number : 7D7K0AA#ABB                                  |
| Battery life : 300 min                                     |
| Battery operated : Yes                                     |
| Battery recharge time : 3 h                                |
| Battery technology : Lithium Polymer (LiPo)                |
| Battery type : Built-in battery                            |
| Bluetooth profiles : A2DP, AVRCP, HFP, HSP                 |
| Bluetooth version : 5.0                                    |
| Connectivity technology : Wired & Wireless                 |
| Ear coupling : Supraaural                                  |
| HP segment : Business                                      |
| Impedance : 32                                             |
| Mac operating systems supported : Yes                      |
| Microphone type : Boom                                     |
| Noise canceling : Yes                                      |
| Operating keys : Answer/end call, Mute, Volume +, Volume - |
| Product colour : Black                                     |
| Product type : Headset                                     |
| Recommended usage : Car/Home office                        |
| USB connector : USB Type-A                                 |
| Wearing style : Head-band                                  |
| Weight : 28 g                                              |

Windows operating systems supported : Yes
