PRODUCT INFORMATION

The PATCHBOX® Plus+ STP is the state of the art cable management system; fast, neat and installed in all-in-one solution. It replaces conventional cable management and patch cords completely with an all-in-one solution.

The PATCHBOX® Plus+ STP with its retractable cables, provides the user with the exact cable length needed. No more overly long cables, creating a cabinet full of cable spaghetti. Installation time is dramatically reduced and due to the clean setup maintenance can be done remotely further reducing costs.
