

MINKELS CAB ASSY FMC W800-D800-42U BK

DESCRIPTION

This network cabinet in the color black has the following dimensions: 800mm wide, 800mm depth, 42U height. It includes a single perforated front door and perforated single door at the rear provided with swivel handles and EK-333 cylinder lock. The amount of cabling in cabinets has increased considerably. To be able to continue to meet those changing needs, we have developed the Nexpan network cabinet with an optimized design. For example, the top-of-cabinet section contains more space to guide the cables through and the positioning of the cable entry is directly above cable trays and PDU's. Because of the modular inserts the cabinet provides optimal flexibility. The cabinet is equipped with leveling feet adjustable up to 38mm and is fully earthed via a central earthing point. The 19inch profiles are printed with U marking with the 1st U at the bottom. The 19inch is set 125mm from the front with an intermediate distance between the profiles of 590mm. Cable entry is possible via the roof at left, right and center cut outs. These cut-outs are covered with modular inserts, cover panels and brushes. The side panels are especially used for end-of-row applications to aesthetically cover the side of the cabinet. The panel is horizontally divided for easy handling. Side panels are equipped with quarter turn locks. Delivery includes a baying-kit set.

TECHNICAL CHARACTERISTICS

Brand : MINKELS

Part number : B1109-080842-000180

Caractéristiques :

Type : Floor mounted rack

Adjustable depth : Yes

Adjustable feet : Yes

Back door construction : Perforated

Back door key lock : Yes

Back door style : Grilled

Cable management : Yes

Cooling type : Passive

Depth : 800 mm

Feet adjustment : 3.8 cm

Frame type : Closed

Front door construction : Perforated

Front door key lock : Yes

Front door style : Grilled

Height : 1977.9 mm

Key lock : Yes

Manual : Yes

Product colour : Black

Rack capacity : 42U

Rack rails : Yes

Removable back door : Yes

Removable front door : Yes

Side panel style : Blind

Side panels included : Yes

Width : 800 mm
