

DESCRIPTION

The ControlSpace CC-PS1 universal power supply provides 17 VDC/1000 mA to power Bose ControlSpace CC-64 and CC-16 control centers. Operates on 100-240 VAC/50-60 Hz and includes appropriate AC connectors for US, Europe, UK, Australia-Singapore and China.

TECHNICAL CHARACTERISTICS

Brand : BOSE

Part number : 371407-0010

Input frequency : 50-60 Hz

Input voltage : 100 - 240 V

Output current : 1 A

Output voltage : 12 V

Product colour : Black
