

TP-LINK AV1000 Powerline Starter Kit 2 Gigabit Port

DESCRIPTION

Extend an AV1000 Speed Network to Any Outlet

Integrating advanced HomePlug AV2 technology, this kit provides users with high-speed data transfer rates up to 1000 Mbps, which is ideal for bandwidth-intensive applications such as simultaneous HD/3D/4K video streaming, online gaming, and large file transfers. Just plug in and enjoy!

2x Gigabit Ports for High-Speed Connections

Provide reliable high-speed wired connections for game consoles, smart TVs, STBs, and more.

Dont Worry about Occupying an Outlet

Simply plug into your TL-PA7027P KIT as though it were a normal wall socket. Feel free to plug in PCs, smart TVs, or other wired appliances without any performance differences.

Up to 85% Power Saved

The futures looking green for powerline adapters. TL-PA7027P KITs practical design and sophisticated Power-Saving Mode, which automatically switches from its regular «Working» mode to «Power-Saving» mode, reduces its energy consumption by up to 85%.

TECHNICAL CHARACTERISTICS

Brand : TP-LINK
Part number : TL-PA7027P KIT
Représentation / réalisation :
Modulation : COFDM
Plug and Play : Y
Design :
Certification : CE, RoHS
Antenna type : Internal
Built-in power socket : Y
Cables included : LAN (RJ-45)
Depth : 42 mm
Encryption button : Y
Ethernet LAN : Y

Ethernet LAN (RJ-45) ports : 1
Ethernet LAN data rates : 10,100,1000 Mbit/s
Ethernet LAN interface type : Gigabit Ethernet
Harmonized System (HS) code : 85171800
Height : 95 mm
LED indicators : LAN, Power
Linux operating systems supported : Y
Mac compatibility : Y
Mac operating systems supported : Y
Manual : Y
Maximum data transfer rate : 1000 Mbit/s
Maximum operating distance : 300 m
Networking standards : IEEE 1901, IEEE 802.3, IEEE 802.3u
Operating relative humidity (H-H) : 10 - 90%
Operating temperature (T-T) : 0 - 40 °C
Package type : Box
Power consumption (standby) : 0.84 W
Power consumption (typical) : 4 W
Power plug : Type G
PowerLine standard : HomePlug AV2
Product colour : White
Quantity per pack : 2 pc(s)
Quick installation guide : Y
Security algorithms : 128-bit AES
Sustainability certificates : RoHS
Width : 58 mm
Wi-Fi : N
Windows operating systems supported : Windows 7, Windows 8, Windows 8.1, Windows Vista, Windows XP
