

## DESCRIPTION

With its high-quality workmanship and appealing look, the UM 6.0 ADVANCED is truly eye-catching in any gaming setup or office. The three-legged stand of the USB microphone is made entirely of metal and thus provides a firm and stable platform at all times.

## TECHNICAL CHARACTERISTICS

|                                                                 |  |
|-----------------------------------------------------------------|--|
| Brand : CHERRY                                                  |  |
| Part number : JA-0710                                           |  |
| <b>Microphone :</b>                                             |  |
| Type : Table microphone                                         |  |
| Bit rate : 24 bit                                               |  |
| Cable length : 2.5 m                                            |  |
| Connectivity technology : Wired                                 |  |
| Depth : 144 mm                                                  |  |
| Device interface : USB                                          |  |
| Headphone out : Y                                               |  |
| Height : 272 mm                                                 |  |
| Master (outer) case height : 485 mm                             |  |
| Master (outer) case length : 405 mm                             |  |
| Master (outer) case width : 330 mm                              |  |
| Maximum sound pressure level (1kHz) : 120 dB                    |  |
| Microphone direction type : Cardioid/Omnidirectional microphone |  |
| Microphone holder : Y                                           |  |
| Microphone mute : Y                                             |  |
| Microphone weight : 546 g                                       |  |
| Number of products included : 1 pc(s)                           |  |
| Operating temperature (T-T) : 0 - 50 °C                         |  |
| Package depth : 153 mm                                          |  |
| Package height : 318 mm                                         |  |
| Package weight : 318 g                                          |  |
| Package width : 193 mm                                          |  |

|                                                                                              |
|----------------------------------------------------------------------------------------------|
| Power source : USB                                                                           |
| Product colour : Black, Silver                                                               |
| Products per master (outer) case : 6 pc(s)                                                   |
| Sample rate : 96 kHz                                                                         |
| Storage temperature (T-T) : -5 - 55 °C                                                       |
| Sustainability certificates : CE, Federal Communications Commission (FCC), REACH, RoHS, UKCA |
| Volume control : Y                                                                           |
| Width : 160 mm                                                                               |
